

VESPA PRIMAVERA 125 RED

The (VESPA PRIMAVERA) RED is about caring, making a difference and solidarity. The colour red envelops Vespa's iconic form across every aspect, from the frame to the wheel rims right through to the ergonomic saddle, expressing the shared determination for fighting global health pandemics. The slimline design with chrome accents pairs modern details with timeless elegance to create a perfect balance between contemporary tastes and tradition.

For every (VESPA PRIMAVERA)RED sold a portion of the proceeds goes to the Global Fund.

Founded by Bono and Bobby Shriver in 2006 to fight AIDS, (RED) partners with brands and people to create products and experiences that raise money, awareness, and urgency for the fight to end AIDS and pandemics. In 2016, Vespa joined forces with (RED) to help raise funds and support critical programs that empower health workers and provide testing, treatment, and care in places where injustice has enabled pandemics to thrive.
