946 HORSE | LIMITED EDITION

Powerful by nature. Elegant by vocation.

The Vespa 946 Horse embodies the composed strength of the Horse: a presence that does not need to assert itself to be recognized. Its steel frame with aluminum elements expresses solidity and lightness in perfect balance, while the iconic lines of the 946 take on a new intensity.

Dynamic, responsive, and crafted with absolute precision, it pays tribute to the determination and perseverance symbolized by the Horse. A Vespa that moves forward with confidence, never sacrificing grace.
