

VESPA

GTS 310 80TH ANNIVERSARY

80 Years of an Icon.

A meeting of modern detailing and timeless style. Vespa Gts 80th features a harmonious design where satin chrome accents blend with glossy and matte finishes, creating a deeper connection to the brand’s heritage in a special version created to mark its 80th anniversary. The dedicated livery celebrates Vespa’s origins through the exclusive pastel color Verde 80th, inspired by the very first single-colour models, while the solid wheel rims reinterpret the design of classic Vespas with a contemporary sensibility. On the front shield, alongside the iconic Vespa logo, the “80th” commemorative plate stands out, while the back shield features the “80 years of Vespa Est. 1946” badge, created to honour this important milestone.
