VESPA
GTV OFFICINA 8

Blue and brass.

The Vespa Gtv Officina 8 combines tradition and character in a bold, understated design.
The blue is inspired by the industrial machines from the workshop, with metal details showcasing the scooter's dynamic silhouette.
The saddle, featuring horizontal ribbing, polished brass rivets and contrast stitching, is a nod to authentic workwear. The low headlight, exposed handlebar and classic "tie" complete a look that celebrates Vespa's heritage through a host of authentic details.
