

VESPA

PRIMAVERA 80TH ANNIVERSARY

80 Years of an Icon.

A meeting of modern detailing and timeless style. Vespa Primavera 80th features a harmonious design where satin chrome accents blend with glossy and matte finishes, creating an even deeper connection to the brand’s heritage in a special edition created to mark its 80th anniversary. Its dedicated livery pays tribute to Vespa’s origins through the exclusive pastel color Verde 80th, inspired by the very first single-colour models, while the solid wheel rims reinterpret the design of classic Vespas with a contemporary sensibility. On the front shield, alongside the iconic Vespa logo, the celebratory “80th” plate stands out, while the back shield features the “80 years of Vespa Est. 1946” badge, created to honour this important milestone.

Technical details

Dimensions (length / wheelbase / width):	1870 / 1340 / 750
Seat height:	785
Fuel tank capacity:	8
CO2 emission (g/km):	60
Cooling type:	Air-cooled
Engine capacity cm³:	124
Engine power Zs (Kw) @ rpm:	11 (8.1) @ 8000
Engine torque @ rpm:	10.7 @ 6250
Cylinder / Cylinder diameter:	1 / 52 x 58.6
Stroke:	4
